About the DBS update service

The [update service](#) is an online subscription service that lets you keep your DBS certificates up to date and allows employers to check a certificate online, with your consent. You can use your certificate again when you apply for a position in the same workforce, where the same type and level of check is required.

Registration lasts for one year and costs £13 a year and starts from the date your DBS certificate was issued. The £13 fee is payable by debit or credit card only, you can use someone else's card with their permission. There's no charge if you are using a [volunteer](#) application or certificate to join the update service. By joining you could save yourself a lot of time and money.

The update service site is hosted on a secure system and is available in English and Welsh.

DBS update service

The Disclosure and Barring Service (DBS) update service lets applicants keep their DBS certificates up to date online and allows employers to check a certificate online.

DBS checks used to be called CRB checks.

How to register

You can [register online](#) as soon as you have your application form reference number. You can ask for the number when you apply for your DBS check.

Or you can wait and [register](#) with your certificate number when you receive your DBS certificate. If so, you must do so within 19 days of the certificate being issued.

You can [view your details online](#) once you've registered.

To check the progress of your DBS certificate use the [DBS tracking service](#).

The Update Service

Would you like to subscribe to the Update Service? This service reduces the need to apply for multiple Certificates when you move from one job to another in the same workforce or when a recheck is required.

Organisations can carry out a quick online Status check to see if an individual's Certificate is still up to date – saving you both time and money.

By subscribing to this service you will be able to:

- Add/Remove DBS Applications/Certificates.
- View the organisations who have checked the status of your Certificate(s).
- Amend your contact and payment details.
